

Join us in celebrating Love Parks Week and 1 year to go until the Olympics!

During Love Parks Week there will be playworkers in each of the Five Gold Rings Project Zones to encourage you to enjoy a local park and get active. Come along and get involved: it's informal, free of charge and we will have giant inflatable rings. You are welcome to bring along a picnic and outdoor toys and games that your family love! For more information on Five Gold Rings, please go to www.basingstoke.gov.uk/go/fivegoldrings
