

## How to register or re-register

- Complete and return the form opposite to the address on the back of the form.
- Enclose a colour copy of both sides of the Blue Badge.
- Or apply online at [www.basingstoke.gov.uk/go/alenconparking](http://www.basingstoke.gov.uk/go/alenconparking)

*N.B. If there are any changes in your circumstances or you change your vehicle, please notify Basingstoke and Deane Borough Council immediately.*

If you have difficulty operating the pass card system, and if you are the only person who drives the vehicle, we can arrange for our system to recognise the vehicle number plate, the barriers will then be raised automatically on entry and exit.

All Blue Badge holders will receive a pass card which will allow access to the car park for those people who have the use of more than one vehicle, or for those holders who do not own a car or rely on family, friends, carers or organisations to provide transportation.

Should you require further assistance, intercoms are located on all entry/exit barriers as well as the seven pay stations, which are located in all the lift lobbies. The pay stations near to disabled parking bays will also be equipped with cameras to help those Blue Badge holders who are not registered for concessionary parking to get assistance from car parking staff.

Concessionary parking applies to any parking bay. The Blue Badge must be displayed in the vehicle at all times.

Basingstoke and Deane Borough Council reserves all rights to review the concessionary scheme on an annual basis.
