Dear Katherine

Further to our duly made representations on behalf of the Hospital of St Cross we would like to make it clear to the Inspector that we continue to object to the rolling back of the settlement boundary at north-west Whitchurch in light of the resolution to grant consent for 16000m² of floorspace on the employment allocation (D3.21 of the adopted local plan). The site is unquestionably in a sustainable location, it remains available and is deliverable for a range of uses (albeit accessed via a different point).

I trust this will be given due consideration by the Inspector.

Many thanks

Kind regards
