

• All dimensions in millimetres unless otherwise stated.

Public open space land owned by BDBC

Public Footpath link to side of Play Area

- Unsurfaced sloping path
- Opportunity to make path link safer with hard surfacing treatment

Path next to 57 Tobago Close

- Unightly & overgrown areas
- Potential to clear & replace with easily maintainable hedge for neater appearance & better security

Popley Way/ Carpenter's Down junction

- Wide grass verges with little interest
- Potential to introduce colourful bulb planting for biodiversity interest & mark the entrance to residential area

Grass areas next to Popley Way

- Wide grass verges with little interest
- Potential to introduce colourful bulb planting for biodiversity interest
- Mark entrance to residential area with one or two small flowering trees
