Basingstoke and Deane Local Plan: Scoping Consultation, Draft Community Engagement Strategy and Integrated Impact Assessment (IIA) Scoping Report

Representation form

Scoping Consultation

The council has launched a consultation asking for input into the first formal stage in preparing the Basingstoke and Deane Local Plan under the new planning system. The [Scoping Consultation](#) focuses on the scope of the new plan and how we will engage with the community on it. It includes a draft vision and a number of measurable outcomes that the Plan will achieve, as well as potential future policy areas. Representations on this document can be made under questions 1 to 5 of the consultation.

Please note that there will be future consultations which will provide details of where growth is proposed, including site allocations. At this stage, **please do not submit any site related comments** as part of this Scoping Consultation as the council will only consider answers to the specific questions raised. If you would like to propose a new site for development then please respond to the [Call for Sites](#).

Consultation on a Draft Community Engagement Strategy

As part of the Scoping Consultation, the council is also inviting comments on how we propose to engage with local communities and stakeholders on the new Local Plan. The council is inviting comments on a draft [Community Engagement Strategy](#) and representations on this document can be made under question 6 of the consultation.

Consultation on an Integrated Impact Assessment Scoping Report

The Local Plan will be informed by an Integrated Impact Assessment (IIA). The assessment considers the likely environmental, social and economic effects of the Local Plan to help inform the choices we make as the Plan develops. An [IIA Scoping Report](#) has also been published for consultation, to provide an early opportunity to identify the key issues that the Local Plan should consider. It asks whether we have identified the right issues and evidence, and how we should assess the potential impacts of different options as the Plan develops. Representations on this document can be made under question 7 of the consultation.

How to have your say

Consultation open until 5pm on Friday 20 November 2026

To view the consultation documents and find out more information, please visit the council's website: <https://www.basingstoke.gov.uk/scoping-consultation-2026> **Digital responses should be submitted through the consultation portal.**

If you cannot use the consultation portal, representations can also be submitted by returning this form to Local Plan, Civic Offices, London Road, Basingstoke, RG21 4AH

In order to record your representation as duly made, you must provide a name and postal address.

If you would like any of the consultation information, including this form, in a different format, e.g. large print, Braille, please contact customerservice@basingstoke.gov.uk or call the council's Contact Centre on 01256 844844.

This form has two parts:

Part A – personal details

Part B – your representation(s)

Part A – Personal details

First Name:

Last Name:

Organisation:

(if responding on behalf of an organisation)

Job title:

(if responding on behalf of an organisation):

Address:

Email address:

Please select one option:

Strongly agree ☐ Partially agree ☐ Partially disagree ☐ Strongly disagree ☐

Please explain your answer and tell us what further actions we could take to encourage further engagement?

7. Do you have any comments on the Integrated Impact Assessment (IIA) Scoping Report?

Local Plan mailing list

By submitting representations, your details will be added to the Basingstoke and Deane Local Plan mailing list and you will be contacted at future stages of the local plan process. You can unsubscribe at any time. All personal data will be processed in accordance with the Data Protection Act 2018 and the General Data Protection Regulation ('GDPR').

Privacy policy and use of artificial intelligence

Basingstoke and Deane Borough Council is the data controller for the personal information you provide in your response.

We will process personal data provided in your response only for the purposes relating to this consultation:

- we will share your information with the appointed inspector for the purpose of examining the Local Plan
- we will not disclose any information to other organisations unless we are required by law to do so
- your personal details will only be held as long as is needed for this consultation and in accordance with our retention policy

A summary of consultation responses will be published on the council's website.

As a public authority the council is subject to the provisions of the Freedom of Information Act (FOIA) and Environmental Information Regulations (EIR). This means we may be required to disclose information provided as part of this consultation if it is requested. Personal data will not be disclosed under FOIA or EIR.

For further details on how your information is used; how we maintain the security of your information and your rights, including how to access information we hold on you and how to complain if you have any concerns about how your personal details are processed, please contact the council by phone on 01256 844844, via email to customer.service@basingstoke.gov.uk or by writing to us at Civic Offices, London Road, Basingstoke RG21 4AH. The council's Data Protection Officer can be contacted at dpo@basingstoke.gov.uk.

The council are using specialist planning software which includes AI-assisted features to help manage the large number of consultation responses more efficiently and consistently. All AI-generated outputs are reviewed, and where necessary amended by officers. Responses will be processed in accordance with the Data Protection Act 2018 and the General Data Protection Regulation ('GDPR') and all internal policies created by the council. For the avoidance of doubt, when using AI assisted features, this will not include any of your personal data. Using AI helps the council to meet statutory timescales while continuing to give proper consideration to representations received.
