Dear Ms Miller,

### **Matters Raised at Exploratory Meeting on 11<sup>th</sup> December 2014**

Thank-you for your letter of 15<sup>th</sup> December 2014 which was received by me in electronic form on 18<sup>th</sup> December. Please accept my apologies for the delayed response.

The matters which you raise are ones which I will wish to obtain evidence about and consider. You will by now have received my notes of the Exploratory Meeting and letter to the Council, which were sent out on 19<sup>th</sup> December. The next step will be for the Council to address my concerns and decide upon a realistic time table for the course of the Examination.

The Programme Officer will be in touch with all respondents once this has been received, which I anticipate will be within the next week.

Yours truly

*Mike Fox*
