

Mobile Home Park Rules

Preface

In these rules:

- "occupier" means anyone who occupies a park home, whether under an Agreement to which the Mobile Homes Act 1983 applies
- "you" and "your" refers to the homeowner or other occupier of a park home
- "we" and "our" refers to the park owner

These rules are in place to ensure acceptable standards are maintained on the park, which will be of general benefit to occupiers, and to promote and maintain community cohesion. These rules form part of the agreement by which homeowners occupy the pitch in accordance with the Mobile Homes Act 1983, as amended.

None of these rules is to have retrospective effect. Accordingly:

- They are to apply only from the date on which they take effect;
- No occupier who is in occupation on that date will be treated as being in breach due to circumstances which were in existence on that date and which would not have been a breach of the rules in existence before that date.

Condition of the Pitch

1. The planting of trees is subject to the owner's prior written approval of types and position (approval will not be withheld or delayed unreasonably). Gardens will be left intact when the occupier vacates the pitch.
2. You must not allow hedges or conifer trees to exceed the height of 2 metres.
3. You must not keep inflammable substance on the park except in quantities reasonable for domestic use. For fire safety reasons no mini gas or oil tanks are allowed.
4. You must not erect fences or other means of enclosure unless you have obtained our prior written approval (which will not be unreasonably withheld or delayed). You must position fences and any other means of enclosure so as to comply with the park's site licence and fire safety requirements.
5. Any fences on the park must be capable of being moved.
6. Wheels of the mobile home must not be removed, nor the Mobile Home re-positioned.
7. You must not make any improvement to the pitch unless you have obtained our prior written approval which will not be unreasonably withheld or delayed.
