

Worting Road Cemetery

Rotation

Due to the shortage of new burial space in the cemetery a specific grave cannot be chosen in these sections. Each grave will be selected by the Burial Authority.

Heritage

Graves in the Heritage sections can be selected, but they are subject to availability. For a detailed explanation of these areas please read the Heritage Policy available through the Cemetery Office.

Traditional

Traditional kerbed memorials may be placed onto full graves.

Lawn

Only lawn memorials may be placed on graves in these sections. The remainder of the grave is laid to grass.

Reopen only

These sections are not available for new burial plot, only additional burials taking place into existing graves.

Other than sections set out for single faith burials such as the Muslim and Jewish faiths, all other sections in the cemetery are general burial sections and accept burials from all religions and secular faiths. Whether Consecrated or not Worting Road Cemetery is dedicated for burial.
