

## **Draft Statement of Reasons**

### **Cromwell Road, Norden Traffic Regulation Order**

To improve resident's amenity and revise the balance between limited waiting and resident permit holder parking a formal Traffic Regulation Order is considered desirable. The effect of this Order would be to change limited waiting parking bays at Cromwell Road to enable resident and visitor permit holders to park with exemption from the limited time period.

To help prevent parking in the most inappropriate locations, in the interests of maintaining safety and access, the parking bay locations and dimensions will remain unchanged.

Therefore, having consulted the Chief Officer of Police, it has been considered to exercise the functions conferred on the council by S122(1) and having regard for S122 (2) of the Road Traffic Regulation Act 1984, as this course of action will maintain the expeditious, convenient and safe movement of vehicular traffic and other traffic (including pedestrians).
