

ALLISTON WAY WHITCHURCH - TRAFFIC REGULATION ORDER
2022

STATEMENT OF REASONS

Hampshire County Council is undertaking pedestrian and cycle accessibility improvements across Whitchurch. The works include new and improved footpaths, shared use footpath/cycleway and vehicle passing and parking bays. To help prevent parking within the passing bay a formal Traffic Regulation Order is considered desirable.

The effect of this Order would be to control parking within a new layby on the west side of Alliston Way.

Therefore, having consulted the Chief Officer of Police, it has been considered to exercise the functions conferred on the council by S122(1) and having regard for S122 (2) of the Road Traffic Regulation Act 1984, as this course of action will secure the expeditious, convenient and safe movement of vehicular traffic and other traffic (including pedestrians).
