

Basingstoke and Deane (Off Street Parking Places) Order 2019 (Amendment No.2) Order 2021

Statement of Reasons

The Order will secure the expeditious, convenient and safe movement of traffic and the provision of suitable and adequate parking facilities off the highway.

The car parking charges are being introduced in order to support the better management, maintenance and improvement of the car parks serving Eastrop Park. The charges will also encourage non-park users to use more appropriate car parks in the town centre, freeing up space for park users. The Council is keen to encourage more walking or cycling to support its climate change emergency actions.
