

Funded by UK Government

Rural England Prosperity Fund - Award Summary

Organisation	Companies No. (If Applicable)	Project overview	Grant award
Frenches Farm	Not Applicable	Funding was used to fully resurface an indoor arena, attracting new clients and enabling a wider range of clinics and events to be hosted, supporting business diversification and resilience.	£ 23,580.00
Silchester Farm	13656051	Funding has enabled cutting edge and environmentally friendly air source heat pumps to be installed in 12 Eco Pods, expanding the farms hospitality business to provide employment in the rural area.	£ 30,000.00
Hampshire Community Broadband	10669355	Funding has enabled the installation of photovoltaics solar panels coupled with energy storage batteries, providing green energy and business continuity to the central full fibre broadband control equipment.	£ 11,089.14
Hydes Cider	Not Applicable	Funding was used to create a pop up tap room in a currently unused cow shed, diversifying the business offer whilst providing a meeting up and socialising space for local residents.	£ 30,000.00
Street Croft Farm	10987368	Funding was used to create a coffee shop with an undercover seating area to complement the existing farm shop and provide local employment. Improvements to accessways have provided a better viewing of the animal paddocks to enhance the visitor experience, increase footfall and support business growth.	£ 12,900.96
Dummer Farms Ltd	01504403	Funding was used to transform an unused parking area into a garden and seating space, providing increased visitor capacity for the adjacent brewery and café. The space has enabled the farm to diversify its events programme, increasing footfall and supporting business growth.	£ 46,261.00
Weybrook Farm	Not Applicable	Funding was used to create inside and outside flower growing areas and storage spaces, supporting the expansion of the flower arranging business. Improvements to the parking area and the addition of an accessible ramp has enabled a wider number of visitor access to workshop provision, supporting diversification.	£ 30,000.00
Chilton Manor Farm	Not Applicable	Funding was used to purchase equipment enabling the inhouse production of gelato and its sale at the Yard cafe and other local businesses. Chilton Manor Farm is the only gelato producer in Hampshire, providing a unique selling point to support business growth.	£ 30,000.00
Total grant funding awarded			£ 213,831.10
