Our ref: OB&LNP Compliance Check

11 September 2026

Dear Kate,

Compliance Check for the Old Basing and Lychpit Neighbourhood Plan Review

Thank you for submitting the Old Basing and Lychpit Neighbourhood Plan Review and supporting documentation to the Local Planning Authority (LPA).

Under Paragraphs 5 and 6 of Schedule 4B of the Town and Country Planning Act (TCPA) (1990) (as amended) there is a requirement for Basingstoke and Deane Borough Council, as the LPA, to undertake a check of the compliance of the plan along with its process to date. The relevant legal requirements are set out in both the TCPA and relevant sections of the Planning and Compulsory Purchase Act (PCPA (2004) (as amended). It is then an obligation of the LPA to issue a written statement confirming that they are satisfied the compliance (or otherwise) of the neighbourhood plan. Accordingly, this letter comprises the formal view of the LPA and recommends whether the neighbourhood plan should be made available for formal examination.

At this stage it is not a duty of the LPA to consider the neighbourhood plan proposal against the 'basic conditions' set out under Paragraph 8(2) of the TCPA 1990 (as amended).

A detailed consideration against the TCPA 1990 (as amended) and PCPA 2004 (as amended) is set out as an attachment to this letter. However, in summary I can confirm the following:

- The Neighbourhood Plan **DOES** accord with all the provisions of the PCPA (2004) (as amended) in that it: specifies a plan period; does not include any provision for excluded development; and does not relate to more than one neighbourhood area.
- The Neighbourhood Plan **DOES NOT** comprise a 'repeat proposal' as defined under Paragraph 5 of the TCPA (1990) (as amended);
- The Neighbourhood Plan **HAS** been prepared by a qualifying body who are authorised to deliver a neighbourhood plan;

Chief Executive Russell O'Keefe
Deputy Chief Executive Rebecca Emmett

Director of Resident Services Fiona Darby
Director of Regeneration Sarah Longthorpe
Director of Customers, Digital and Improvement Katy Sallis

- The submission **DOES** comprise the relevant documentation required under Paragraph 1 of Schedule 4B of the TCPA (1990) (as amended) and as prescribed by Regulation 15 of the Neighbourhood Planning (General) Regulations (2012) (as amended) (the Regulations).
- The statutory consultation undertaken to date **DOES** comply with the requirements and regulations set out under Paragraph 4 of Schedule 4B of the TCPA (1990) (as amended) and as prescribed by Regulation 14 of the Regulations; and
- The Neighbourhood Plan **DOES** comply with all other relevant sections of the TCPA (1990) (as amended).

Therefore, I am pleased to confirm that the LPA is satisfied that the Neighbourhood Plan and process followed complies with the statutory requirements as set out in paragraph 6 of Schedule 4B of the Town and Country Planning Act 1990 (as amended).

The Old Basing and Lychpit Neighbourhood Plan Review will now be published for Regulation 16 consultation with a view to then making the plan available for independent examination.

The LPA is now required to publish the plan for consultation along with details of how to respond on our website for a minimum of 6 weeks. The Council will therefore hold a six week consultation running from Friday 25 September until 5pm on Friday 6 November 2026.

Thank you for all the hard work that has gone into getting the Plan to this stage.

Yours sincerely

Jessica Wells
Senior Planning Policy Officer
